Stripes kickback... Small bits of news, gossip and info for the terraces.

The sun shone and the points came home to a very hard working Stripes team. Last Saturday's match was a vital one for the club and every supporter who witnessed the superb victory over Ångby will agree the match was great entertainment. A lower crowd than normal made their way to Essinge IP, the fact that it was FA Cup final day, the Stockholm Marathon was on and the Elitloppet took place at Solvalla, made sure we had a little to compete against.

Instead of the usual six pack of beers, ice cream was distributed among the fans, well received in blistering conditions. The extra man, the ultras, on the sidelines really helped spur on the team in the last twenty minutes and that support was richly rewarded when Wilhelm Karlsson got the winner, much to the jubilation of nearly everyone in the ground.

We go into tonight's game full of confidence against a Boo side who come off the back of an away win against Stuvsta last week. The away team were quoted as being one of the favourites for the league, but have yet to show top of the league form. Långholmen will have to be particularly cautious of star man Sadiq Sidiqi who is a real threat in front of goal. Hopefully it won't be too long before we see Paul Sullivan and Deri Thomas back to full fitness and wearing the stripes, Paul himself said it is the most frustrating thing in the world watching your team play when you are injured.

Manager Chris Latham said earlier in the week "It is time we started to show our quality and put pressure on the teams at the top of the table". He also added "The boys are really up for things right now, that's the mood, they have a real sense of belief."

Let's hope it pays dividends and we have another three points in the bag by tomorrow morning.

Both Chris and Stuart were delighted with the victory last weekend. It goes to show what character the players have and it was great to see different players on the scoresheet. We welcome Boo FF for tonight's match and they will be looking to push themselves closer to the top teams with a victory tonight. Stuart says "We have watched Boo play a few times and we know what their strengths are. We have to carry on our momentum for the remaining games before the summer break so we can give ourselves every chance of achieving our goals from the start of the season. We will not take anything for granted and will try and get better week after week. We will need to be at our best once again and look forward to the match." Come on the stripes!

This week in the Stripes history:

On Monday June 5th 2005 Långholmen played against Sörskogens IF at Gubbängens IF in front of 14 spectators.

This match was memorable for a few things. Firstly then manager Nick Short had just become a father less than twelve hours before the match, but still made it to the dug out for this game. Robbie Graham was sent off, wrongly by the ref, ensuing a protest by the Långholmen players and manager. The referee then abandoned the game and stormed off the pitch, then he changed his mind and the game restarted. The score was 1-1 and the Långholmen goal was scored by Andy Startup ensuring Långholmen stayed at the top of the league.

Next home match:

Wednesday 17th June vs Olympiacos FC - K.O. 20.00 Essinge IP

Next away match:

Saturday 13th June vs Skå IK - K.O. 14.00 Svanängens IP
